

# Textiles recycling

## Yes

Belts

Clothes

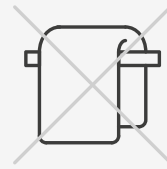

Shoes

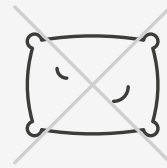

Handbags

## No

Towels

Duvets & pillows

Sheets & bedding

**FACT**

**Over 350,000 tonnes**  
of clothing ends up in landfill  
each year in the UK.

### Our solution

All quality clothing is either re-sold or donated, whilst anything that can't be re-worn is shredded for carpet underlay, insulation and automotive interiors.
